

Colour by numbers

Follow the code to colour the picture.

11	12	13	14	15	16	17	18	19	20
red	orange	yellow	green	blue	purple	pink	brown	grey	black

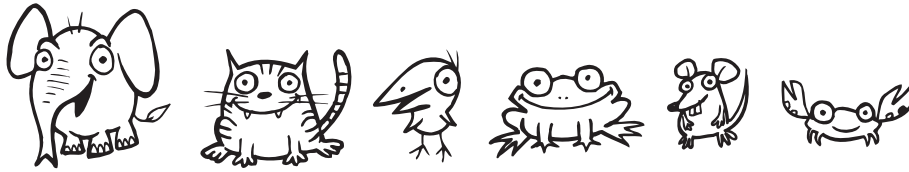

Indicator 1: Recognises numbers between 11 and 20.
 Indicator 2: Matches numbers to colours to complete a picture.

Fun with numbers

1. Circle the third and fifth animals in the line.

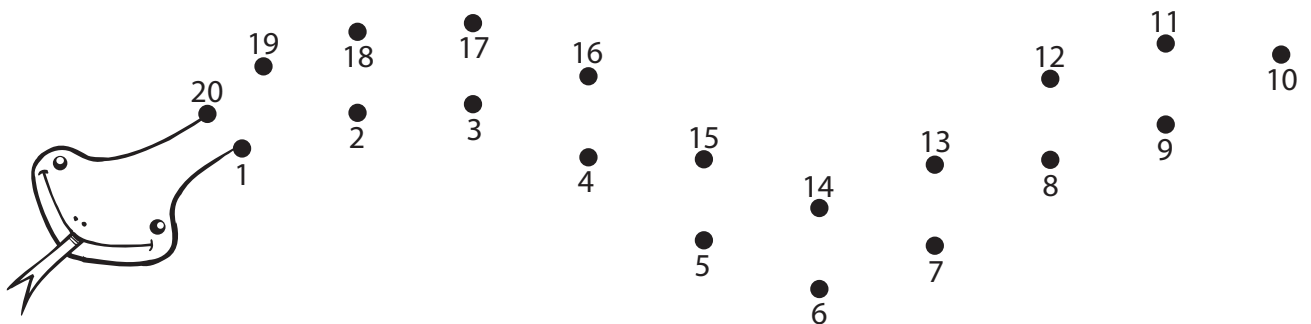

2. Write the numbers in order from smallest to largest.

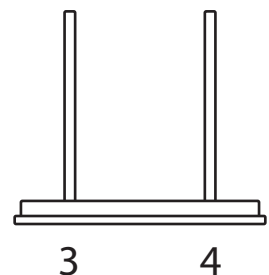

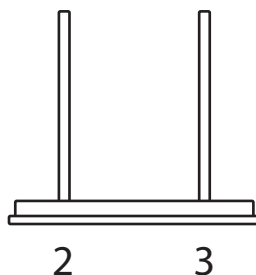

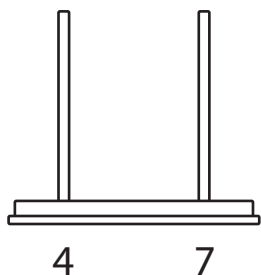

17, 12, 9, 15, 20, 11

--	--	--	--	--	--	--

3. Join the dots to complete the picture.

4. Draw beads on the abacus to show the number.

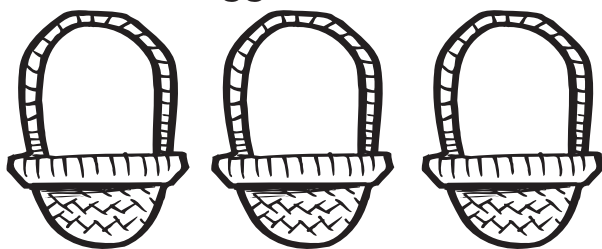

5. Fill in the missing numbers.

(a) 5, 10, _____, 20, _____, 30, _____, _____, 45, _____

(b) 20, _____, _____, 14, _____, _____, _____, _____, 4, _____

(c) _____, 80, _____, 60, _____, _____, 30, _____, 10

6. Draw three eggs in each basket.

How many eggs have you drawn?

7.

I am less than 10 but more than 4.

I am an even number.

You can share me equally by 3.

What number am I?

Indicator: Uses knowledge of number order, magnitude and property to answer questions.

Colour-by-number picture

- Colour:**
- the two triangles on top of each other that add up to 20 red.
 - the odd numbers brown
 - the triangles marked with a zero blue
 - the numeral 20 black
 - the even numbers orange

0	0	0	0	20	24	100	20	0	0	0
0	0	32	44	8	0	0	0	0	0	0
0	0	74	60	46	0	0	0	0	0	0
0	0	0	4	80	70	6	0	0	0	0
1	0	10	10	0	11	35	10	10	16	29
3	15	48	62	42	30	52	34	23	19	0
0	26	16	68	0	0	0	0	0	0	0
0	64	4	50	0	0	0	0	0	0	0
0	0	54	78	72	14	90	18	0	0	0
5	12	11	58	7	21	82	9	22	25	0
17	13	56	92	28	66	98	88	31	9	0
0	60	7	94	0	0	0	0	0	0	0
0	84	13	38	0	0	0	0	0	0	0
0	0	0	36	96	86	76	0	0	0	0
0	0	40	0	0	0	0	0	0	0	0

Indicator 1: Completes addition combinations to 20.
 Indicator 2: Identifies 0, 20 and odd and even numbers.
 Indicator 3: Colours numbers to complete a picture.
